APACHE ENERGY LIMITED – WASTE MANAGEMENT SERVICES CONTRACT AWARD

- **Provision of Waste Management Services**
- **Two year contract with two one year options**
- **Estimated contract revenue of \$3 m pa**

Tox Free Solutions Limited ('Tox Free' or 'Company') is pleased to announce the Company has been successful in the award of a contract to provide Waste Management Services to Apache Energy Limited in North Western Australia.

The contract scope includes the provision waste management services to:

- Varanus Island
- Stag Platform and associated floating storage offloading (FSO) tanker, Dampier Spirit
- Legendre Platform and associated FSO, Karratha Spirit
- Floating production storage and offloading (FPSO) tanker the Ningaloo Vision for the Van Gogh development
- Offshore drilling rigs contracted by Apache to operate on the North West Shelf, and
- Devil Creek Gas Plant once this site is operational in 2011.

The two year contract is expected to commence in October 2010. This is another significant achievement for Tox Free as the company continues to secure further waste management and industrial services contracts.

As the scale of the operations in the Pilbara region continues to grow for Tox Free the company can continue to leverage off its existing infrastructure to provide strong returns for its shareholders.

Tox Free is very focussed on its long term future. Growth will continue through strategic acquisition, further contracts and organic growth of our existing divisions.

Yours faithfully
