
Contract Award – Woodside Energy Ltd Total Waste Management and Industrial Services

16 February 2009

ASX Limited

I am pleased to announce Tox Free Solutions Ltd (Tox Free) has been awarded a contract to provide Total Waste Management and Industrial Services to Woodside Energy Ltd.

The contract covers the provision of waste management services to Woodside's LNG facility, Karratha Supply Base and Woodside's Karratha based offshore production and exploration facilities. The contract also includes marine tank cleaning services. The contract period is for three years with two further one year options.

Tox Free are extremely excited about the opportunity to work with Woodside to improve their waste management practices through sustainable waste management initiatives.

Tox Free's newly established Pilbara Resource Recovery Centre, based in Karratha, combines the resources of Tox Free's waste management expertise with Barry Bros. industrial services. The facility offers a full range of waste management and industrial services, including:

- Liquid waste treatment
- Industrial and hazardous waste management
- Solid waste management and recycling
- Composting
- Container reuse and recycling
- Industrial services such as tank cleaning and vacuum loading

The successful award of the Woodside contract is a significant milestone in the Company's development and I look forward to a long and mutually beneficial relationship with Woodside Energy Ltd.
